Dear Apple,

### Confirmation of Apple BYO Program at SMK Kajang Utama

With reference of the above subject, as our school currently using Apple devices for teaching and learning purpose, I would like to confirm that at SMK Kajang Utama, we are running a guided BYO program. From Grade 9 and 10, it is BYO of iPad.

2. Approximately there are 43 students in these grades. Please see attached the communications we have sent to the parents about this program. With this program, we can get more students to buy Apple devices and enjoy the learning process together.
